8 this title and—

9 (1) the Wilderness Act (16 U.S.C. 1131 et

11 areas designated by this title, any reference in the
12 Wilderness Act to the effective date of the Wilder-
13 ness Act shall be deemed to be a reference to the
14 date of the enactment of this title;

4 96–617 of the 96th Congress.

5 (i) NO BUFFER ZONES.—Congress does not intend
6 for the establishment of the Red Table Mountain Wilder-

10 on lands outside the Red Table Mountain Wilderness Area
11 that would not be allowed in the Red Table Mountain Wil-
12 derness Area shall not preclude such activities or uses on
13 such lands up to the boundary of the Red Table Mountain
14 Wilderness Area consistent with other applicable laws.

15 **SEC. 202. WATER RIGHTS.**

16 (a) FINDINGS.—Congress finds as follows:

17 (1) The lands designated as wilderness by this
18 title are located at the headwaters of the streams
19 and rivers on those lands, with few, if any, actual or
20 proposed water resource facilities located upstream
21 from such lands and few, if any, opportunities for
22 diversion, storage, or other uses of water occurring
23 outside such lands that would adversely affect the
24 wilderness or other values of such lands.

1 (2) The lands designated as wilderness by this
2 title includes several water resource facilities which
3 provide for important water storage and trans-
4 mission of water for the benefit of private owners of
5 decreed water rights and the Town of Gypsum.

6 (3) It is possible to provide for proper manage-
7 ment and protection of the wilderness and other val-
8 ues of such lands in ways different from those used
9 in other legislation designating as wilderness lands
10 not sharing the attributes of the lands designated as
11 wilderness by this title.

12 (b) STATUTORY CONSTRUCTION.—

13 (1) Nothing in this title shall constitute or be
14 construed to constitute either an express or implied
15 reservation of any water or water rights with respect
16 to the land designated as wilderness by this title.

17 (2) Nothing in this title shall affect any condi-
18 tional or absolute water rights in the State of Colo-
19 rado existing on the date of the enactment of this
20 title.

21 (3) Nothing in this subsection shall be con-
22 strued as establishing a precedent with regard to
23 any future wilderness designations.

24 (4) Nothing in this title shall be construed as
25 limiting, altering, modifying, or amending any of the

1 interstate compacts or equitable apportionment de-
2 crees that apportion water among and between the
3 State of Colorado and other States.

4 (c) PROHIBITION AGAINST INSTREAM FLOW PERMIT
5 CONDITIONS.—The Secretary shall not, as a condition of
6 permit renewal for existing facilities on National Forest
7 System lands, impose bypass or other minimum instream
8 flow requirements within or upstream of the Red Table
9 Mountain Wilderness Area.

10 **SEC. 203. MAPS AND LEGAL DESCRIPTIONS.**

17 maps and legal descriptions submitted under this sub-
18 section.

19 (b) FORCE AND EFFECT.—The maps and legal de-

21 cluded in this title, except that the Secretary may correct
22 clerical and typographical errors in the Map and the legal
23 descriptions.

1 (c) PUBLIC AVAILABILITY.—Copies of the maps and
2 the legal descriptions shall be on file and available for pub-
